Newsletter from Aruba, Gabriel and Iris Li

Dear brothers and sisters in Christ,

Your support and donation through Global Advance Fund, Work Fund and Aruba Church Planting Project make it possible for us to continue the kingdom work in Aruba. Your prayer and partnership do really serve to advancing the gospel.

Here are some **High lights** of what is happening on the island of Aruba.

- 1) On May 1 of each year, we do the island-wide community outreach, the **Fun Fun Family Day**. With presentation, performance, music, songs, sharing, foods, games and prizes, we have lots of fun. Praise God that Scarborough Chinese Alliance Church sends a team to help us. We build relationship with people. People are curious why we do all these every year. We share with them that there are lots of fun in life. God wants us to have good life, abundant life, just because God cares about us and God loves us. People received the great gift of Salvation, new comers start come to church.
- 2) Aruba is not only a mission field, Aruba is also a mission force. In May 2018, team up with Scarborough Chinese Alliance Church, we have **our STM team the second time**. We went to Curacao reaching out to the people on Curacao Island. We thank God for the opportunity to extend the love of God to that island.
- 3) In Summer time, we have a STM team from Westside Calgary Chinese Alliance Church came to do the **Youth Camp, VBS, Special Talks**. During the Youth Camp and VBS, one youth and 17 kids have made the decision to accept Jesus Christ as their Savior and Lord. We praise God for His mercy and grace. Pray that they will grow strong in their faith. Now is the time to follow up and discipleship training.

This STM team is a **team of 5 families**. Yes, the whole family with mom and dad and their children. Our experience with this kind of team is fantastic. It is so wonderful the whole family can serve together. Their children get the first hand and hand on experience in service in Mission field when they are young. The positive impact is not only for the team family, but also to our people as well. We praise the Lord to make it possible. "As for me and my household, we will serve the Lord." (Joshua 24:15b)

- 4) The 4<sup>th</sup> term of our **After School Tutorial** will start in September for 3 months. A couple from Zion Chinese Alliance Church, a sister and a lady from our congregation are willing to teach Chinese and English class. Thanks to God for His provision. Pray that the students will develop good study habits, have disciplined life and good social skills. Through home visitation of the students, we can reach their parents. To our surprise, the parents are really appreciate we are willing to spend time with their kids. We found that it becomes little bit easier to invite them to come to church. That is **relationship. God is awesome**.
- 5) We will start our **Home Assignment** in Mid-September. We are looking forward to meeting with you and your church in person to report and to share. Please let us know your date preference that we can put into our schedule.

6) The C&MA Head Office has moved to a new location. Whenever you visit or mailing to our head office, please use the new address as indicated below.
