

Dear brothers and sisters in Christ,

Thank you for your unceasing support and donation through Global Advance Fund, Work Fund and Aruba Church Planting Project. Your prayer and partnership do really serve to advancing the gospel.

Here are the **High lights** of what is happening on the island of Aruba.

1) As the 2nd phase of the Aruba Church Planting Project, we did the following:

**a) After School Tutorial**

We open our church building for students to come to do their homework and revision on Monday to Thursday from 2:30pm to 5:30 pm. In addition to doing their homework, we have Chinese Class and English Class for them. We have good response.

We praise God for sending teacher couple to come and help us over the last two terms. We will have our third term in March to May 2018, we are still asking God to bring in brothers and sisters who can help us to teach the Chinese Class and English Class. If you are interested, please let us know.

Two students accepted Jesus Christ as their Savior and Lord in the last 2 terms of this ministry.

Also, during our home visitation of the students, a mother received the great gifts of Salvation. Praise God for his mercy and grace.

**b) One More Outreach Point**

In exploring to have one more outreach point in the North Western Region of the island, God opens a door. A lady, who has accepted Christ in May 2017, is willing to open up their restaurant that we can have special meetings workshop. We did a workshop on Physiotherapy in October 2017. More than 20 new comers came. We thank God for giving us the opportunity.

We are actively seeking a more visible place where we can use on regular basis.

**2) The men**

We have been praying that the husbands of our core group will accept Christ sooner. God answers our prayer, we have 2 men who accepted Christ as their Savior and Lord in October and November 2017. Praise God for His mighty work.

### Prayer points

- 1) We need **teachers and tutors for March - May 2018**. May God bring in teachers and tutors to our After School Tutorial program. We plan to have a 3 years cycle with 2 Terms of 3 months (March to May and September to November) each in a year.
- 2) Pray that the **students**, who are in our **After School Tutorial**, will be motivated to study well with discipline and responsibility. Through the Bible stories in the class, they will be connected with Jesus Christ and develop good characters.
- 3) **Baptismal Service** will be held on April 1, 2018. Pray that the testimonies and the service will have positive impact to our congregation and the community.
- 4) The upcoming **Chinese New Year Celebration Outreach** on Feb 25, 2018. May God invite more people to come to celebrate and hear the good news.
- 5) In May 3-7, 2018, together with Scarborough CAC team, we will go to **Curacao** again for STM. Pray that God will open door for spiritual conversation with the people there.
- 6) We ask God to give us a more permanent place in the North Western Region of the island as a **new Outreach Point**.
- 7) The **Spiritual revival** of our brothers and sisters. They can devote time daily to read the Bible, strengthen their faith in God that they are living Godly lives, they are equipped to serve.
- 8) The copper water pipe of our church was damaged. The **thieves** came and attempted to steal it in the middle of the night. Thanks God that we have good neighbor who called the police and the thieves fled before they did more damage. Pray for these people that their lives can be changed by Jesus Christ.
- 9) **Repairs** are needed in some areas of the church building: a) the leaking roof, b) to build up the fence, c) electrical wiring for lights. Pray that some handymen can come and help us.
- 10) With new arrangement of our **Home Assignment**, we will have our Home Assignment on Sept 15 to Dec 15, 2018. Pray we can meet and share with you and the church. Also, pray for the ministry arrangement here when we are on Home Assignment.
