

Dear prayers:

Praise Lord, that I have been serving in the Restaurant Ministry for more than ten years. In this special area, the words of Jesus in the miracle of five loaves and two fishes are always inspiring me: **"You give them something to eat."**

I am hired by the Canadian Chinese Alliance Churches Association (CCACA) as the director of Restaurant Ministry. We hope to encourage the churches in Canada to work harder to evangelize the restaurant people.

Recently, there are some grateful things to share with you:

Thanks God, an old couple were baptized in September. Three generations of their family were involved in the restaurant industry in Toronto. I hope that every one of them will be baptized after the old couple, and they will be blessed and be loved by our Lord.

Thanks God, my wife has just started volunteer work in a Christian organization, so she can do some ministry while she is looking after our family as a full-time housewife.

Thanks God, our eldest son has stepped into an university. In the past month, he has already get used of his new life style.

The recent focus on the restaurant ministry has the following key points:

A. Continue to encourage the existing brothers and sisters in restaurant fellowship to grow up in the Lord. Sharing the vision with churches, encourage and train the brothers and sisters who have the burden to the restaurant people.

B. Running some cooking classes, Cooking-Life sharing sessions, attracting restaurant people to participate. So that they have the opportunity to hear the gospel. Every year, we are holding a restaurant ministry retreat.

C. We are opening our mind, cooperating with other churches, organizations, and individuals to use creative thinking to evangelize the restaurant people.

Due to the current financial deficit in CCACA, this position can only be self-funded. We have to raise funds for ministry expenses and salary. Our staff members hope that churches will be able to support this ministry in prayer and also financially.

Blessings!
