Our Blessings in China

By Angel Zhou,

March 2021

Hi, brothers and sisters! Hope you are all joyful and peaceful these days. As you all know, Tylar and I came back to China last November, and we had been thinking about how to honor our Lord in this country since then. One of our missions is to share good news with our fathers who hasn't accepted Jesus as their Lord yet, and the other mission is to build up a fellowship and a regular bible study group for our relatives who are already Christians. Here are our updates.

As soon as we boarded in Xiamen, Fujian, China, we got connected with our parents, and we decided together that we should have a bible study each week for one hour and a half. Praise God that our fathers were willing to attend most of the bible study. They asked lots of questions about who Jesus is, what Jesus did, and why we believe in him. They also learnt to say "Amen" at the end of the prayer. We are so thankful that these changes happened to them, as they are communists who hold opinions about atheism.

Later, in February 2021, two of my aunts joined our bible study group. Now the eight of us meet regularly on the night of each Tuesday, taking turns to lead the bible study. We are so happy that we not only got the chance to lead the group, but also train new leaders of small groups at the same time. We pray that they can lead the local bible study groups in China in the future as there really is a lack of leaders in China.

Thank you everyone for your sustaining prayer and offertory, and blessings belong to all who love Jesus. Amen!

Praise & Prayer

- 1. Praise the Lord that Tylar and Angel are able to lead their relatives to study Bible in China. Pray that the people in this group will grow deep in Jesus and be able to bless many others around them.*
- 2. Pray for Angel as she is coming back to Canada at the end of March. Pray for the safety. Pray for Tylar will receive his visa as soon as possible so he can come back to finish his education.*
- 3. Pray for Serena's English test. Ask the Lord give her good memory and clear mind so she can remember what she learned.*
- 4. Pray for our first worship service in April.*
