

# KAY & AARON TANG

Newsletter December 2025

## Greetings

As 2025 draws to a close and we enter this Advent season, Kay and I are reflecting with profound gratitude on God's faithfulness throughout the year. This Advent, we are reminded again of the gift of Jesus—the true source of our hope, peace, joy, and love. May you and your loved ones experience the fullness of His presence and the warmth of His peace throughout the Christmas season and into the New Year.

## Counting His Blessings in 2025

We thank God that 2025 has been a fruitful year for our ministry with the CAWF. Our key activities included

- A trip to Hong Kong in February and March, where we visited three local Alliance churches, participated in the Global Gathering of the Alliance Canada in Chiang Mai, and joined a Hong Kong Cornerstone Association tour to several cities in China.
- The Pan American Chinese Alliance coworkers' retreat in Lima was a success, with over 70 people in attendance.
- We also received exciting and positive feedback from numerous participants at the Rendezvous in Taiwan, where about 130 leaders and young people participated.

After relocating to Vancouver on June 30, we discovered a BC Medical Services Plan regulation that prohibits new residents from being outside of BC for more than 30 days in the first 6 months after arrival. Consequently, we had to cancel two trips, to Germany and Africa. While disappointing, this has given us more time to rest and adjust to our new home and ministry in Vancouver.

Since September 2025, with the blessing of the CAWF Executive Committee, Aaron has accepted an invitation to serve at the Canadian Chinese School of Theology Vancouver (CCST Vancouver) as a volunteer Director of Development and Church Relations.
